

Dear Parents/Carers,

## THANK YOU

How special is Orange Public School! The past weekend really shows what a tremendous school and school community we have in the way our school is represented and supported by Orange and beyond. Of course I am talking of the remarkable experience that is the **Orange Open Garden Day**, organised and run by the tireless workers involved through the committee and the endless number of volunteers, who gave their time to show their support to our school. This year we were again blessed with a fine day and even though Orange definitely showed Spring is not a time to put away the jumpers and coats, the day proved ideal to take a stroll around the eight amazingly presented gardens on offer to the wider community.

The garden owners put in months of preparation and it really showed on the day, with visitors from far and wide commenting on the spectacular gardens and their diversity in size, design and purpose. We cannot thank the garden owners enough for the day and without their generosity this event would not be possible. A huge thank you must go to the Garden Committee who held numerous meetings but also did so much individually to make this event a reality.

Thank you also to all parents and helpers who assisted in baking cakes, slices as well as cooking lunches and the BBQ breakfast. Again it is only possible to run the weekend with the staff and children who also give their time to assist and present OPS at its best, by offering choirs, music and the best welcoming smiles Orange has to offer. Congratulations OPS on another successful event that has always held its focus towards community inclusion and value.

Today the school was very excited to hold the **2020 Student Representative Council speeches**. 10 boys and 12 girls from year 5 had the opportunity to present a short speech to their peers in grades 3 to 6 detailing why they believe they should be considered as a school leader for next year. The children then privately voted with the results of the voting to be announced in the next few weeks with the announcement of school captains and prefects on the last day of the year. Well done to all who took part in the process.

This week the boys cricket team progressed through to the final eight in the state on Monday bowling Gulgong all out for 25. Our opening batsman reached the tally very quickly and the team will now play their next game in week 6 depending on other results. Congratulations to the boys and Mrs Smith.

The school has also seen amazing activities with the success of another great **Bike Day** last Wednesday. All primary children had the opportunity to participate and with two tracks on offer. The internal city track at Elephant park was the testing ground for many students who showed they are developing skills in riding with one or two or thirty needing to work on their braking a little more. The long (External city) track really tested even the hardest rider including the huge number of parents who came along for the ride. Slips and falls were minimal and everyone really enjoyed the challenge. A huge thank you to all students for jumping in and having a go and thank you to the staff and parents who assisted on the day. I would like to thank the Orange City Council who accommodated our school traversing the Shirrallee Road work site to continue on our path, this was greatly appreciated. Finally I would like to also thank Mrs Kellie Wakeman for organising the day. To take on an excursion that enables 400 students to be outside the school on bikes is a huge undertaking so well done Mrs Wakeman.

The school is really starting to get excited for its next two big events being the **School Spectacular and the Orange Public School production of Thank You, Mr Disney**. School Spectacular will involve 14 children travelling down to Sydney next Tuesday and being involved in intense rehearsals for two days before facing a rigorous schedule of two shows on Friday 22<sup>nd</sup> and Saturday 23<sup>rd</sup>. Each show will involve approx 5000 students performing and will be such an amazing opportunity for the girls.

The cast of **Thank You, Mr Disney** have tirelessly been rehearsing as have the entire school in their class groups as well as dance groups in readiness for our production. Mrs Powell is steering the ship so there is little chance we will see any problems arise. **Tickets are now sold out for the evening shows. Tickets are still available at the primary site for the matinee on Thursday 5<sup>th</sup> December starting at 11am.** The production will take place on Wednesday 4<sup>th</sup> and Thursday 5<sup>th</sup> December, all students will be performing on both days. It will be important for parents to keep an eye out for notes and instructions leading into the event. Professional DVD's of the school show will be available promptly after the show. This is a nice opportunity for a movie and popcorn at home! Order forms will be available soon.

Our **debating team** will also have a busy few weeks with the Kerri Parkes debating challenge final being held in Tottenham tomorrow with OPS facing off against Narromine. Good luck to the girls and thank you to the parents with their assistance of travel. I would like to thank Mrs Cope for her organisation of the debating in 2019 at Orange Public School.

Across NSW we are all aware of the current destruction by **fire** and the turmoil that is created when such events occurs. We hope that everyone can spare a thought for those lost during this week and those impacted in so many ways. We also commend and thank the effort and dedication of our Rural Fire Service volunteers who often put themselves in danger to help and protect others. True Heroes.

# OPS Sports Report

## PSSA Boys Cricket

On Monday our boys' cricket team played our Round 6 game against Gulgong PS. Sending Gulgong in to bat reaped rewards immediately with Dan bowling their opening batsman. Quick thinking by Andy saw Gulgong's number 3 run out. From then wickets fell regularly bowling Gulgong out in the 16<sup>th</sup> over for 28 runs. Dan 1-8, Nick 3-2, Zac 1-4, Tom Blowes 2-5, Will 1-6, Tom O'Brien 1-1.

Deciding to open with our regular openers Tom and Will we reached our target in the 5th over with Tom no. 21 and Will no. 9.

We look forward to our Round 7 game. I would like to thank ODJCA for their support in paying for our official umpire on the day.
