Term 2 Week 8

Dear Parents

This week the school has been very busy as we always seem to be, with many sporting teams, dance groups and of course our regular class work all moving at a frantic pace towards the end of the term. As we move towards the end of Semester one, I have the pleasure of reading each report in the school, highlighting each child's progress for the year so far. From the **reports** I have completed, I have been blown away with the tremendous growth and success our children are experiencing and something that is very apparent with all the reports, is the strong work ethic shown by all. I absolutely love the opportunity to review the achievements of our students and look forward to reading further progress over the next two weeks.

In delightful news our school has been successful in being chosen for **School Spectacular** which will be held in November. Congratulations to Mrs Bird and the young ladies selected.

Many of our **girls** in Years 2-6 have been invited and will be involved in a **Soccer Gala day** tomorrow. This will be a great opportunity to see some skill development and team emphasis on participation during the day. Our **boys soccer team** will be playing later in the week in Cowra against one of the Cowra Schools who are playing today. We thank our parents who have shown such flexibility with the organisation in relation to this event. Next week our **girls basketball team** will fire into action with Mrs Wakemen expecting great things from her team against Eglington Public School in Bathurst.

Our school has received some wonderful news in that we are seeing tremendous support in the **Billy The Blood Drop Challenge**. Eleven donations have been made to the blood bank from Orange Public School community members and we thank everyone for their donation and time. OPS currently leads the local tally but more importantly we are providing the opportunity of life. If possible we encourage all OPS community members to consider donating and giving blood.

Our **school bands and choirs** are practising hard for the fast approaching eisteddfods and next week the school is very fortunate in hosting a travelling concert band from Kiama High School. This band are doing a regional tour and will showcase their talents for our school on Thursday 27th July.

Finally I would like remind parents that with the **cold and flu season** well and truly upon us, to ensure that each child is adequately warm. I would also recommend that if your child is experiencing illness to seek medical advice and make the decision about staying at home in the light that it may be of benefit for not only your child but all children for that short period of time.

Enjoy the week

OPS Sports Report

Western Cross Country

On Wednesday 12th June some OPS students represented district at the Western Cross Country event. This was held at Guerie in almost Orange Summer weather, which was much different to the polar blast they got in the last events. 14 students represented OPS and out of these 9 will be heading off to compete at the State carnival as part of the Western team. The state event will be held in the first week of next term. Well done to all who raced and congratulations to those going through to the state level.

LEADING BY EXAMPLE

Orange Public School Canteen has been featured along side 4 other NSW school canteens in a glossy book sent to every canteen in NSW to inspire with ideas of achieving healthy changes. Something we can be very proud of.

As we transitioned into a NSW healthy canteen strategy guidelines last year, our progression was recognised for the steps we took to present our healthy menu at the canteen and communication to our school community.

A great reminder to continue to be leaders and innovators as we have a fabulous community who have supported these changes.

See the spread. One packaging helps attract students to these suggestions, kept fresh, available and able to be used in the canteen.
